MOTOMCO FARM & HOME®

TOMCAT®

REFILLABLE AND DISPOSABLE BAIT STATIONS FOR IN AND AROUND THE HOME

Bait sold in quantities of 1 lb or less for residential consumer use must be sold with a refillable or disposable bait station. Tomcat offers a variety of stations for Rats and Mice that meet the EPA Standards for tamper-resistance by dogs, kids, or both. All of these Tomcat Bait Stations have been tested to provide effective control of rodents while keeping the bait safe from children or pets. All bait in Tomcat consumer products are made with Bromethalin, an acute active ingredient proven to kill rats and mice faster than anticoagulant baits.

- *Available in Disposable or Refillable options in a variety of sizes for either rats or mice*
- *Tier 1 stations meet the EPA's highest standard for bait station security- they are proven resistant to tampering by children and dogs and are approved for indoor and outdoor use*
- *Tier 3 Stations meet EPA standards for resistance to tampering by children and are approved for indoor use only*
- *See-thru window for easy bait monitoring*
- *Made with Bromethalin – an acute, non-anticoagulant active proven to kills rats & mice faster than anticoagulant baits*
- *Each block kills up to 12 mice**
- *Each 30gm placement kills up to 3 rats*
